

CFS HOMECARE SERVICES

Our client recounts her experiences with our Homecare Services:

“What happened was the arthritis. Rheumatoid arthritis in my hands, everywhere, and I couldn’t mop or sweep or anything like that, so that’s why I ended up getting help.”

“She’s a nice lady and when Dedra first came I told her what I had to have done and that was it. So I haven’t had to have no problem with Dedra. No nothing. Dedra do what have to do and go on about her business. She do the cleaning, she do the mopping, and she do everything! But I do the laundry. I do the laundry myself.”

“She’s a nice person and she do what she suppose to do and mind her own business and that just that”.

Homecare Services is a program of Child & Family Services designed to assist the elderly and/or physically disabled adults within nine counties including Berrien, Cass and Van Buren. We offer the opportunity to remain in one’s own home setting and remain independent while we assist with cost-effective, safe and knowledgeable care, with dignity, to a person in need based on the philosophy of caring and compassion.

Our services include running errands, meal preparation, bathing, light housekeeping, companionship and personal care.

Community Impact of Homecare Services

Child & Family Services of Southwestern Michigan, Inc. Homecare Services provides more than 112,000 hours of compassionate caregiving that makes it possible for more than 383 elderly and/or physically disabled adults to maintain their independence and live with dignity, while providing family caregivers with respite time. CFSSWMI Homecare Services is a cost-effective compassionate alternative to long term care. The program helps the elderly and other physically challenged people to continue living in their own homes rather than having to enter long-term care.
